Dear Farouk and Sheila:

How about giving some thought, with me, to the enclosed letter just received from the USA? The Mrs. Watumull referred t o in the first paragraph is Mrs. Ellen Jensen Watumull of the Watumull Foundation, Honolulu.

Note the reference to Rotary.

If you have any ideas, hold them, and we'll talk about it when I got back to Mysore in another ten days or so.

Meantime, warm regards to ALL those Iranis!

Dear Kay:

How about giving some thought, with me, to the enclosed letter just received from the USA? The Mrs. Watumull referred to in the first paragraph is Mrs. Ellen Jensen Watumull of the Watumull Foundation, Honolulu.

Is there, for example, a printed or mimeographed list of all the public libraries in India which we might get for Magazines for Friendship? What about other lists, about which you might know?

Any other ideas?

Regards,

Julie Medlock
